Metal Spinning Rack

The metal spinning bingo ink rack has a small footprint for small spaces, yet it's strong, durable, and lightweight. It features a convenient carrying handle that can also be used to display signs or pricing information. This display rack can hold 96 Groove Grip™ bottles and rotates 360 degrees, so consumers have full viewing capability. The metal spinning rack comes ready to use with no assembly required, ink is sold separately and is not included with the purchase of this display rack.

Corrugated Ink Display

This ink display is a white, corrugated cardboard display box. It holds up to 72 three ounce Bingo ink bottles. The corrugated ink display boxes are sold individually per item number. Bingo ink is sold separately and is not included with the purchase of this display box.
