# E-max™ Gaming Unit

## ELECTRONIC GAMING

The revolutionary E-max Max™ brings electronic gaming to a new level. It's easy to learn and offers high quality for your bingo game, plus fun that's out of this world.

The finest in portable gaming units, the E-max Max offers your players the ability to monitor multiple electronic bingo cards at once while playing their paper cards too! Watch your profits soar as your players take advantage of the ability to add more bingo faces to their normal play. They can semi-auto daub or manually daub on the colorful touch screen monitor. The multiple themes and player tracking options make your players feel at home and personalize their playing experience.

The only portable gaming device with these features:

- ▶ High quality color, touch screen display
- ▶ Keyboard
- ▶ Integrated magnetic card reader
- ▶ Option of line or battery power
- ▶ Multi-feature dome light which can be seen throughout the hall
