Easter: March 31st

Consider hosting an Easter Egg Hunt! Have your staff hide the easter eggs throughout your venue. Have each 'table' appoint a 'leader' to take on the hunt. During your break, the 'leader' who gathers the most eggs during the timed interval wins a free buy-in at a future bingo for a member of his/her table! Use the plastic eggs you can get from the Dollar store, and ensure that you know how many are hidden so when the eggs are gathered and counted, the crowd will know how well they did! Introduce any of the following bingo patterns to excite your players!
