

BINGO HALL Ideas

HOLIDAY 2023

Happy Holidays!

Deck your halls with all things jolly!

Ask your guests to help decorate your bingo venue for the holidays by bringing in a hand-crafted decoration. Place the decorations around the hall, ensuring you have properly identified the donor. Determine when all decorations will be finalized (a week or two before Christmas), then announce the evening when - by round of applause - the 'best' decoration will be awarded a prize (something with a Christmas theme that you can hopefully source "gratis" from a local vendor). Then, advise that all decorations will be donated to a local charity so that others can be 'wrapped in your generosity'!

You can also 'wrap up your generosity' by creating a donation to a local charity: whether it's a no kill shelter, a women's shelter, or any other charity, you can choose the 'theme' of your donation accordingly with the input from your patrons, along with any ideas as to how the donation can be created.

Celebrate the holiday season with some of these Christmas patterns which will surely provide fun and entertainment at your holiday bingo events!
